Anthem Blue Cross and Blue Shield is the trade name of Community Insurance Company. Independent licensee of the Blue Cross and Blue Shield Association. ® ANTHEM is a registered trademark of Anthem Insurance Companies, Inc. The Blue Cross and Blue Shield names and symbols are registered marks of the Blue Cross and Blue Shield Association.

Background – OHIO

- Anthem serves approximately 190,000 Medicare Advantage (MA) members in 88 Ohio counties.*
- On or before Oct. 1, 2012, approximately 12,000 of these members will receive notice that their plans are not being renewed effective Jan. 1, 2013.*
- Impacted counties include the following: Allen, Ashtabula, Butler, Darke, Defiance, Erie, Franklin, Fulton, Hamilton, Harrison, Henry, Huron, Jefferson, Licking, Lorain, Lucas, Mahoning, Medina, Ottawa, Paulding, Portage, Putnam, Sandusky, Shelby, Tuscarawas, Union, Van Wert, Warren, Wayne and Williams.
- Anthem is introducing a new plan in five counties where it is non-renewing or reducing service area. They are as follows: Erie, Huron, Lorain, Ottawa and Union.
- All areas will continue to have access to a new or existing Anthem MA plan, including the Ohio RPPPO from border to border.
- It's important to note that members may have a different network of providers and/or different benefit structure when switching from previous plans.
- Additionally, 14,500 HMO members in the Anthem Senior Advantage Value plan will be consolidated into the Anthem Senior Advantage Basic plan. These members do NOT have to make a new purchase decision as they will be automatically enrolled into the Anthem Senior Advantage Basic plan.

*(Note: Membership data is from August 2012 CMS Data).

MA to MA Plan Scenarios

Existing 2012 LPPO to new 2013 LPPO

- LPPO provides PPO freedom of choice, peace of mind against catastrophic events, access to out-of-network service (in many plans).
- The LPPO is offered through a comprehensive network of physicians and providers.
- LPPO plans offer good value, often with \$0 preventive services, low co-pays, low generic Rx copays, and low MOOP.
- Premiums are adjusted annually and can range from low, medium or high premium options.
- Plans include Part D prescription drug coverage.
- Optional Supplemental Benefits (OSBs) are available for dental and vision coverage with H5529-005.

RPPO to LPPO

- Regional Preferred Provider Organizations (RPPO) are constructed as regional, statewide or multi-state PPO networks. As the Medicare landscape continues to change, RPPOs may become unsustainable and are better managed as Local Preferred Provider Organization (LPPO) for better continuity and applicability to a local market. Because Anthem offers plans on a county-by-county basis, it makes sense for Anthem to align its LPPOs around its county offerings.
- LPPO provides PPO freedom of choice, peace of mind against catastrophic events, access to out-of-network service (in many plans).
- LPPO provides similar benefits to a RPPO.
- The LPPO is offered through a comprehensive network of physicians and providers.
- LPPO plans offer good value, often with \$0 preventive services, low co-pays, low generic Rx copays, and low MOOP.
- Premiums are adjusted annually and can range from low, medium or high premium options. Most plans include Part D prescription drug coverage.
- Optional Supplemental Benefits (OSBs) are available for dental and vision coverage.

PPO (either RPPO or LPPO) to HMO

- Anthem, with years of experience in the market, is ahead of the competition in providing innovative HMO design and we anticipate many companies will follow in the next years as the CMS reimbursement policies continue to evolve.
- Anthem is making the move now based on where we see the industry going in subsequent years.
- Provides access to medical services while providing choice in benefits.
- Unlike a traditional HMO plan, Anthem members do not need a referral to see an in-network specialist.
- HMO will be attractive; strong network offering choice and flexibility with a low \$0 premium and mid-premium plan that includes embedded supplemental benefits.
- Optional Supplemental Benefits (OSBs) on Basic HMO provides members with added choice and flexibility.
- Product is offered through a comprehensive network of physicians and providers.
- Members can get urgent/emergency care anywhere.
- For members not willing to part with access and choice, a Medicare Supplement plan might be a better option than a Medicare Advantage HMO.

HMO to PPO (LPPO in most cases, but some RPPO)

This document contains proprietary information of Anthem Blue Cross and Blue Shield. It is intended for use only by Anthem's contracted brokers and agents. It is not for distribution to the general public; nor for solicitation purposes. Any redistribution or other use is strictly forbidden.

- PPO offers Anthem's strong network with freedom for member to access providers of their choice.
- Premiums are comparable to Med Supp High Deductible F Plan.
- PPO can include Part D coverage, which provides a cost-effective option for members concerned about moving from HMO to PPO versus HMO to Med Supp.

MA to MS

MA to Original Medicare plus the purchase of Med Supp and/or Part D (PDP) plan(s)

- Because of the MA plan non-renewal, the special election period timeframe is in effect to purchase Part D (PDP) plans.
- A Guaranteed Issue time period is also triggered for certain Med Supp plans where an eligible member cannot be denied coverage because of preexisting conditions or health status, including claims experience.
- Anthem Med Supp plans are competitively priced.
- Anthem has a variety of Med Supp plans available starting at a low premium price point (Example: High F).
- Anthem's decision to eliminate MA plans in specific markets is based on market volatility, smaller or non-viable network, benefits reduction and/or pricing changes.
- Med Supp plans allow freedom of choice; the member can receive care anywhere the healthcare provider accepts Medicare.
- Med Supp plans typically offer a high degree of out-of-pocket cost protection for members.
- If a member chooses to enroll in a Med Supp plan, he or she will also need to purchase a Part D (PDP) plan in order to maintain prescription drug coverage.
- Anthem offers Part D (PDP) plans and Anthem Extras in most areas for dental and vision coverage.
- The agent is able to retain the customer within book of business and receive Med Supp and Part D (PDP) plan commissions per existing approved structure.
